

Advantages of using TRI Pointe Connect

Team of Loan Consultants Dedicated to our Homebuilder

TRI Pointe Connect provides a team of Loan Consultants that only provide financing for customers purchasing our homes. The Loan Consultant understands our homebuilding process, which ensures the loan will be ready when your home is complete. Having this dedicated team also prevents refinance activity in the mortgage industry from negatively affecting service levels to our customers.

At Your Service

Our team of TRI Pointe Connect Loan Consultants is accessible to help throughout the homebuilding process. TRI Pointe Connect offers prompt Pre-Qualification services and are available to schedule evening and weekend appointments. TRI Pointe Connect provides homebuyers with financing education and loan options to facilitate the home buying experience.

Vast Array of Financing Options

Conventional, FHA, VA, and Jumbo loan programs are some areas where TRI Pointe Connect offers expertise. Fixed and Adjustable Rate Mortgages are available on most programs. And don't forget to ask about temporary or permanent buy down options.

Extended Rate Locks

To eliminate fluctuations in interest rates during construction, TRI Pointe Connect offers Extended Rate Lock programs. Long term locks are available for six months or more on most loans and Float Down options may also be available.
