

Product Warranty

Mar-Vel Marble offers a two year materials and workmanship warranty on shower/tub surrounds, and a two year materials and workmanship warranty on vanity tops. Materials include the ingredients used to manufacture the product, while workmanship applies to the fabrication and finishing of the product.

If Mar-Vel Marble installs their product, such installation includes a two year warranty. Installation applies to panels/tops being properly adhered to walls and/or cabinetry, and all seams being sealed with a high quality silicone. It is the customer's responsibility to notify Mar-Vel Marble immediately of any problems with our installation.

A non-abrasive cleaner (i.e., Windex or 409) must be used to clean all of our products. Use of an abrasive cleaner or pad on our products will void the warranty. If you scratch or stain our product, the Mar-Vel warranty does not apply.

Be sure to contact us with any questions. 425-778-1400.
