

Natural Quartz Stone Residential 10 Year Warranty

Natural Quartz Stone manufacturers offers its residential customers a 10 year limited warranty on all installed surfacing products.

This warranty covers failures caused by product defects within the first 10 years after the original installation of the product.

The warranty does not cover failures that arise from any physical or chemical abuse, improper maintenance, commercial applications, excessive heat or from any settling occurring to the residence.

The 10 year limited warranty is available only to the owner of a single-family residence in which the product was originally installed. For newly constructed single-family residence, the warranty is to the first owner acquiring the residence from the builder in which the product was originally installed.

The warranty does not however, cover seam performance or any product that has been removed or relocated from its original place of installation.
